

# 10 Steps to Apply to Global Exchange

1. **Research the [UCSD Global Exchange programs](#)**. Be sure to review course offerings to find a program that meets your academic needs.
2. **Review** program specific information such as housing, cost, dates and other useful information to identify a program that aligns with your academic and personal goals.
3. **Review** your degree audit for remaining UCSD academic requirements. Identify courses you plan to take abroad using the course information provided on the UCSD Global Exchange program page(s).
4. **Meet** with your UCSD academic advisors (major=department advisor/GEs=College advisor). Ask your advisors about fulfilling UCSD requirements with the courses you plan to take abroad. Be sure to have course information ready to share, if needed.
5. **Check the [UCSD Global Exchange deadlines page](#)** for nomination deadlines and program status. When a program is full, it will be noted.
6. **Confirm** that you meet the eligibility requirements **BEFORE** you apply for a program.
7. **Ask any questions** you have by connecting with Study Abroad UC San Diego. Visit our [Advising Services](#) page for information.
8. **Complete the [UCSD Global Exchange Nomination Form](#)** no later than the deadline.
9. **Check your email regularly**. You will be notified approximately 2 weeks after the deadline if you have been nominated for the program.
10. **If nominated**, you will be given the next steps in the application process which will include completing an application in Tritons Abroad and a host university application.
