

Working on your statement for your Study Abroad application? The LATS staff at OASIS is highly trained to help support you write the best statement you can. No matter what Study Abroad program you're applying to, LATS writing facilitators can help you:

- figure out how to write a compelling narrative based on previous experiences;
- find a structure that highlights your story;
- and make sure your statement aligns with the program's values.

Make a one-on-one appointment with one of our facilitators to get started!
