

Berlin Calling! UCEAP's Study Abroad Programs in the Coolest City in Central Europe

Virtual Information Session
November 16, 2022

Info Session Details

- We have muted all participant audio connections to limit background noise.
- Use the chat box to type questions. There will be a Q & A at the end of the presentation and we will answer questions then.
- The session is best viewed on a PC or laptop, so if you are currently on a cell phone and have a PC/laptop available, we recommend you switch to the other device.
- This info session will be recorded and will be available for review on UCEAP's YouTube channel.

Our Programs in Berlin

UCEAP

Immersion Program

- Semester (with option to extend) or year-long
- Take classes with German students, with other international students, or a combination.
- Free University, Humboldt University, or Technical University
- German Intensive Language Program (ILP) prior to academic term (optional for Spring)
- No language *prerequisite*! You can take courses in English or German, plus your German language course.
- Take courses in your major, fulfill GE, or electives
- Option to take one class per semester at one of the other universities
- Potential for internship opportunities for academic credit

Our Programs (cont.)

UCEAP

(1) Summer Global Internship program

- Intern with a company or institution and attend weekly seminars on navigating the business world and staying current on industry trends.
- Exciting extra-curricular program; housing options: dorm room or home-stay

(2) Berlin Summer at the Free University

- Study German exclusively, explore various subjects in English, or do a combination of both.
- Courses include field trips to museums, memorials and political and cultural sites; housing options include homestay

(3) Technical University Summer

- Get theoretical and practical, hands-on experience in English-taught courses from engineering, architecture, urban design, or other technical fields.
- Features trips to companies and research facilities and a social and cultural program.

Perspectives from a Current UCEAP Berlin Immersion Student

June Tanner, UC Irvine
Humboldt University
Spring & Fall 2022-23

Why choose UCEAP?

Find the Right Program

UCEAP programs are designed for UC students and constantly evolve based on the needs of UC students.

Stay Enrolled

Your UC enrollment continues abroad, and you won't pay tuition at another university.

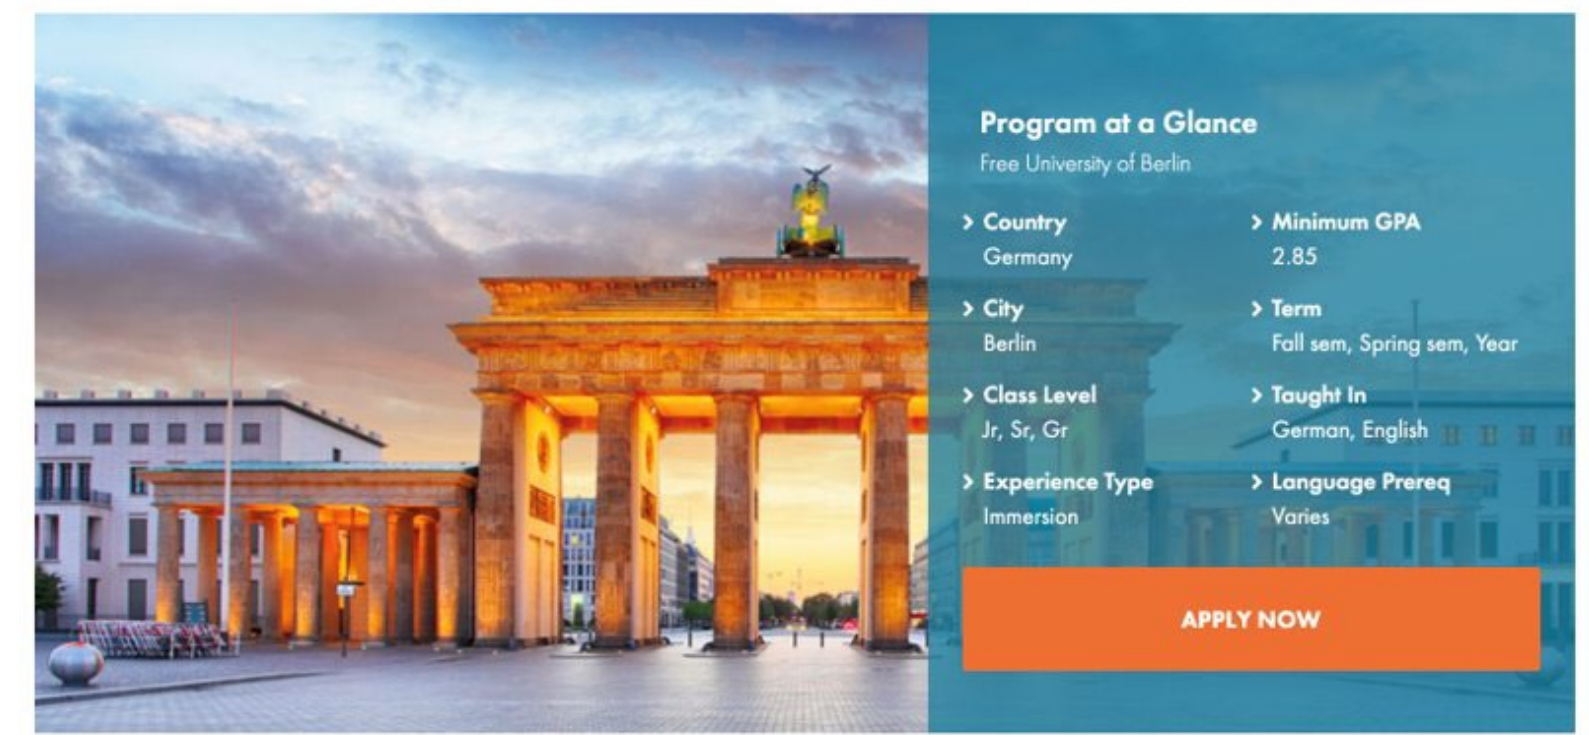

Use Financial Aid

Your scholarships, grants, financial aid, and loans will apply to UCEAP study abroad programs.

Earn UC Credit

All courses abroad award UC credit and will appear on your UC transcript.

Next Steps

1. Explore the UCEAP website.
2. Visit/make an appointment with your campus Study Abroad Center, as well as the How to Apply section on any program page on the UCEAP website, for application steps and deadlines.
3. Drop into UCEAP online Office Hours: Link available through QR code
4. Start an application by selecting the “Apply Now” button on the UCEAP website

Scan the **QR code** to visit the UCEAP website for links to contacts and Next Steps information.
