You don't travel to see; you travel to understand.

The Fusion Between East and West

A hub of international commerce, Singapore is one of the world's most globalized economies. This island city-state hosts the Asian headquarters of many multinational corporations. It combines an ultramodern skyline with its rich and vibrant history. Singapore is an ideal locale for a challenging and rewarding internship. And, with its remarkable landscape and diverse blends of cultures and cuisines, a truly exciting place to explore.

INDUSTRY SECTOR IN CAPE TOWN

A country in transition but still bearing the scars of decades of apartheid, South Africa provides unique opportunities in human rights and education, as well as STEM, publishing, and development:*

STEM: Science, Tech, Engineering, and Math

STEM opportunities available mainly in research institutions and universities:

- + University of Cape Town
- + French South African Tech Labs

Marketing, Communications, Advertising, Print & Digital Journalism, and Publishing

Social media, events, advertising, journalism, public relations, video production, and more:

- + Modjaji Books
- + Book Dash

Hospitality and Tourism

Hotels, tours, tourist destinations, and more.

- + African Soul Surfer

Dive in and explore!
We've got your back.

A Complex and Vibrant City

Intern in South Africa and discover one of the world's most affordable and vibrant countries. Located at the southernmost tip of Africa, Cape Town is a unique destination with a diverse landscape, rich culture, and relaxed lifestyle. You will be able to explore the challenges of an emerging economy dealing with one of the most unequal societies in the world. Your internship in this complex, developing country will make you a stand-out to future employers.

NGOs and non-profits

Diverse opportunities that encompass public health, education, and the law:

- + South African Urban Food & Farming Trust
- + IKhaya Le Langa
- + Hoops 4 Hope

Education

There are opportunities to work with learners from early childhood to students preparing for university entrance examinations. Please note that summer internships will include only after school or holiday programs due to South Africa's school holiday falling during that time period.

- + Just Grace
- + New loveLife Trust
