

# Psychiatry in Central Europe

## Professor Stephan Anagnostaras

# Who am I?

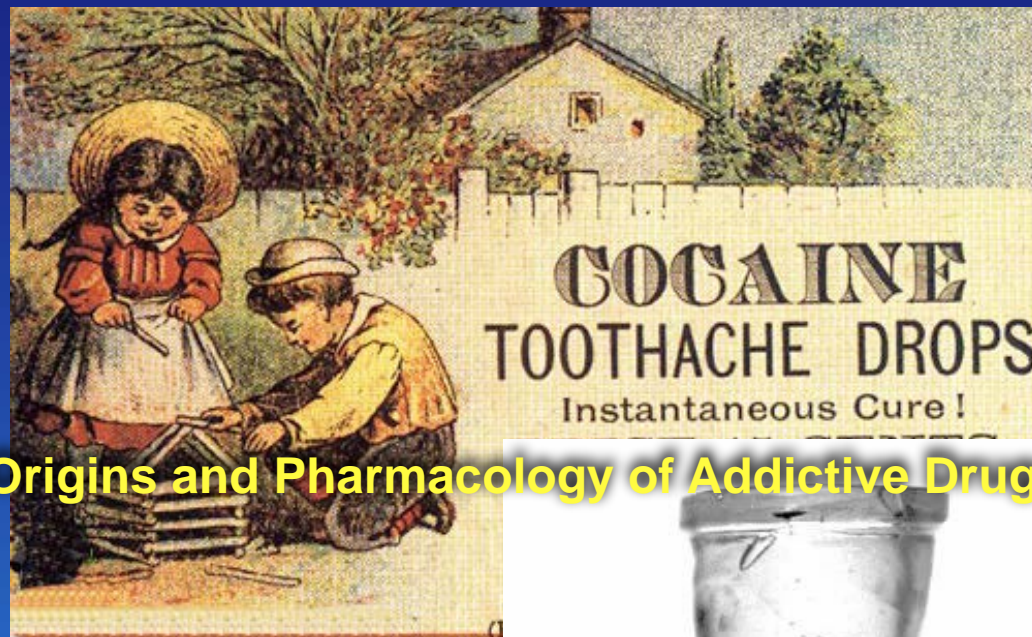

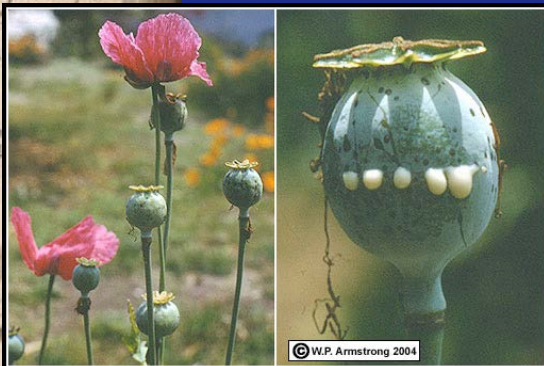

## Professor Stephan Anagnostaras

- Regular tenured professor at UCSD; regular instructor of Psyc 181
- **Our research is on memory and addiction – you can check out our website at <http://mocolab.ucsd.edu>**
- My father is Greek and raised in Greece from when I was age 1-10
- **Mother is Jewish from Brooklyn; I was born in NJ**
- Have been working in pharmacology for 32 years, ever since I took a course like Psyc 181 at the University of Michigan
- **Did my PhD at UCLA, and took my first real job at Emory.**
- Moved to UCSD 19 years ago.

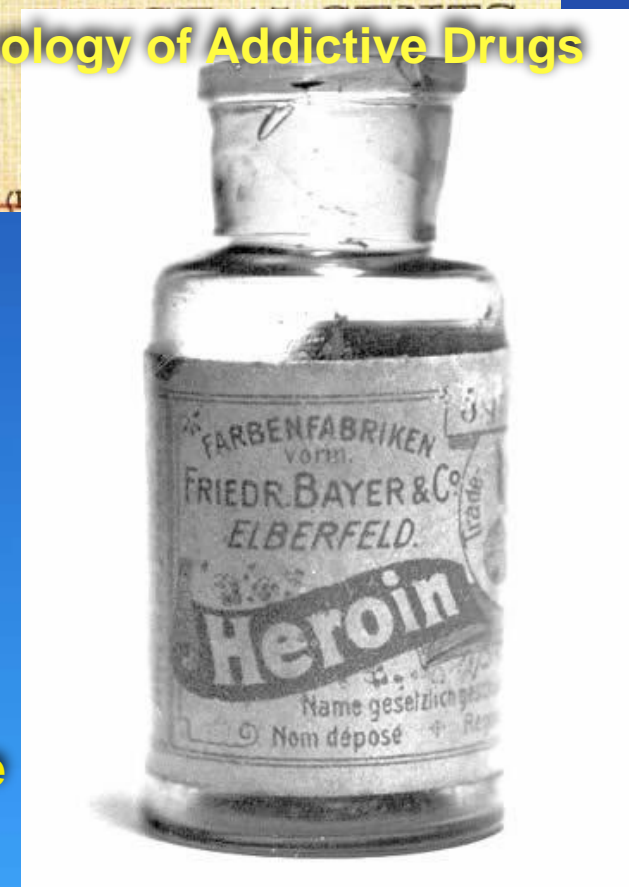

# Overview of Courses

- **Psyc 181GS – Drugs and Behavior**
  - Understand basic psychopharmacology of addiction and psychotherapeutic drugs
  - Cannot take if already taken Psych 181
- **Psyc 186GS – Early History of Psychiatry: Psychiatry, Neuroscience, and Pharmacology of the Renaissance through the Enlightenment.**
- **July 1- August 5 (including travel)**
- Much like regular summer session (lecture-seminar format) plus a bunch of class-relevant excursions
- **Entire materials and exams will be on canvas and yours to keep**
